Castries

Saint Lucia | Choose a north or south outing

A PRACTICAL PLAN FOR YOUR DAY ASHORE

1 Two cruise arrival areas

Ships may berth at Pointe Seraphine or at the Queen Elizabeth II docks beside La Place Carenage. Confirm your assigned berth. Routes and mobility needs differ; ask about taxis or the cross-harbour water taxi if walking is unsuitable. Check water-taxi operation on the day.

2 A city or nearby outing

Castries Market, Derek Walcott Square and the cathedral are city sightseeing ideas. Morne Fortune offers historic sights and views. Vigie Beach is near Castries, while Marigot Bay is a separate excursion option. Confirm transport, current access and local conditions.

3 Soufriere and the Pitons

The Pitons, Sulphur Springs and Tet Paul Nature Trail are southern outing ideas requiring substantial travel from Castries. Pick a realistic tour rather than combining every attraction. Ask about winding roads, physical demands, included admissions and the full round trip.

4 Waterfall and bath access

Diamond Falls Botanical Gardens includes a waterfall for viewing; do not treat it as a swimming site. Mineral baths are a separate experience with their own access and fees. Confirm your operator's exact stops and follow local instructions at beaches, waterfalls and geothermal areas.

BEFORE YOU GO / BEFORE YOU RETURN

Use ship time. Follow your own all-aboard or last-tender deadline and allow a generous buffer for queues, traffic and weather. Confirm hours, tickets, access and transport for your sailing date.
