Fort-de-France

Martinique | City sights and garden outings

A PRACTICAL PLAN FOR YOUR DAY ASHORE

1 Confirm the berth first

Cruise ships may use different Fort-de-France berths. Confirm walking distances, shuttle arrangements and accessibility for your assigned berth. The city offers markets, local dining and historic sights; choose a route that fits your return deadline.

2 City culture

The Schoelcher Library is a noted architectural landmark. Check current visiting hours and access. Fort Saint-Louis is an active military site; guided visits depend on the official schedule and permissions. Grand Marche is a city-centre option for local products and crafts.

3 Gardens and the north

Jardin de Balata is a tropical botanical garden outside the city. Check tickets and current accessibility before visiting. Saint-Pierre is another regional outing. Ask your driver for the complete return journey, including traffic and visit time, and select a realistic itinerary.

4 Anse Mitan by ferry

A beach outing to Anse Mitan depends on the current ferry route and timetable. Confirm the departure pier and the last usable return for your ship, with a backup plan. Martinique uses euros. Follow local sea-condition advice and carry the travel documents your ship requires.

BEFORE YOU GO / BEFORE YOU RETURN

Use ship time. Follow your own all-aboard or last-tender deadline and allow a generous buffer for queues, traffic and weather. Confirm hours, tickets, access and transport for your sailing date.
