Freeport, Grand Bahama

Bahamas | Port Lucaya and nature outings

A PRACTICAL PLAN FOR YOUR DAY ASHORE

1 Port and town are separate

The Freeport / Lucayan Harbour cruise arrival area is separate from Port Lucaya Marketplace and the beach districts. Arrange transport for outings beyond the terminal; do not plan a short walk from the cruise harbour to Port Lucaya.

2 Port Lucaya day

Port Lucaya Marketplace is an open-air shopping, dining and entertainment area. Choose a relaxed visit for local crafts, food and marina views. Confirm your pickup point and a current round-trip estimate with your driver; traffic and port arrangements affect the journey.

3 Nature options

Lucayan National Park protects caves, mangroves and other habitats. Gold Rock Beach is part of the park. Check Bahamas National Trust visiting information, access and any guided-activity requirements. Peterson Cay is a separate boat outing; confirm the complete excursion duration.

4 Build a realistic return plan

Use authorized transport or an established excursion operator. Ask what the fare or tour includes and whether waiting time is included. Confirm terminal facilities locally. Beach conditions vary; follow local guidance and keep well clear of cave or water activities outside authorized access.

BEFORE YOU GO / BEFORE YOU RETURN

Use ship time. Follow your own all-aboard or last-tender deadline and allow a generous buffer for queues, traffic and weather. Confirm hours, tickets, access and transport for your sailing date.
