Hotel / actual area	Useful distinction and booking question
The Maya **Long Beach waterfront**	Official Carnival Bon Voyage rate includes a hotel stay, parking for one vehicle up to seven nights and shuttle to/from Long Beach Cruise Terminal. Confirm availability, extra nights and riders.
The Cove Hotel **Long Beach**	Official hotel publishes Park and Cruise. Ask for exact parking days, current rate, terminal, all passengers and return transport.
Residence Inn by Marriott Long Beach Downtown **Long Beach waterfront**	Marriott lists on-site parking. Ask specifically for a current cruise product; daily Park & Stay is not cruise permission.
Marriott Long Beach Downtown **Downtown**	Sip, Sail & Cruise offer lead. Parking and Uber-credit wording has varied; confirm exact booked inclusions and return coverage.
The Queen Mary **Beside Long Beach terminal**	Historic ship lodging. Current parking directions may route vehicles differently; confirm cruise parking separately from overnight hotel parking.

Before booking: Does the rate permit parking for EVERY cruise day? What is the total with fees and extra days? Does transport serve your exact terminal, all passengers and luggage, and BOTH directions? Confirm reservations, child seats, mobility access and cancellation terms.

Airport shuttle and cruise transfer are separate services. A room-only rate or normal hotel parking does not establish a cruise package.

Hyatt Regency Long Beach **Downtown waterfront**	Downtown stay option; confirm cruise-long parking and terminal transfer separately.
Homewood Suites by Hilton Long Beach Airport **LGB airport area**	An LGB airport shuttle does not establish LAX or cruise-terminal service. Confirm each route separately.
Holiday Inn Long Beach Airport **LGB airport area**	Confirm LGB pickup, cruise transport and permission to park after checkout; regular guest parking is not a cruise product.
Courtyard by Marriott Long Beach Airport **LGB airport area**	Confirm airport route and any long-term parking offer, then separately price the terminal ride.

Long Beach, California

Long Beach Cruise Terminal, 231 Windsor Way, beside Queen Mary. San Pedro is a separate cruise location.

Terminal parking

Visit Long Beach publishes $23/day, subject to change, and a 7-foot garage clearance. Vehicles occupying more than one space need an alternative. Check Carnival's sailing-specific instructions for any changed parking location.

Independent parking

If using Cruise Parking Long Beach, confirm the current lot address, full sailing dates, vehicle limits and whether a shuttle is offered. Do not infer port transfers from a parking listing; budget both journeys if needed.

Paid transfers

Long Beach Shuttle and other providers sell specific routes. Request a written quote for the actual airport/hotel, Long Beach terminal, entire party, luggage, child seats, mobility needs and return pickup.

Hotel versus broker

A hotel-direct cruise offer, an airport Park & Fly rate and a broker package can have different parking locations and transfer allowances. Compare your actual confirmation, not the hotel name alone.

Compare the whole trip

Room + taxes/resort fees + every cruise parking day + transport for all travelers + return ride. Use your cruise line's current flight guidance; allow time for disembarkation, baggage, traffic and airport check-in.
