RENDEZVOUS WITH RIEMANN

Mykonos

Greece | Chora, Little Venice, beaches and Delos

ARRIVAL & YOUR FIRST TRANSFER

Your ship may berth at the New Port at Tourlos or anchor and tender ashore. Confirm the landing point for your call. From Tourlos, use a bus, taxi, SeaBus or arranged transfer to Chora; from an Old Port tender landing, the town can be explored on foot. Do not assume the whole island is walkable.

CHOOSE YOUR PORT DAY

Chora & Little Venice

Explore whitewashed lanes, shops and cafes. Little Venice has waterfront houses and terraces, with the famous windmills nearby. Uneven paving, narrow lanes and steps may affect access; wear suitable shoes.

Delos excursion

Delos is a separate archaeological island. Excursion boats depart from Mykonos Old Port on operating dates; check current sailing and site-opening schedules. Boat passage and archaeological admission may be sold separately. Weather can cancel trips, so confirm the return before leaving.

Beach options

Agios Stefanos is near Tourlos. Other options include Ornos, Platis Gialos, Psarou, Paradise, Super Paradise, Kalo Livadi and Kalafatis. Choose one that suits your group and confirm the route, facilities and return transport; beach clubs can charge for services.

Windmills & churches

The windmills above the sea are one of the island's best-known views. Panagia Paraportiani is another landmark in Chora. Be considerate around worshippers and residents; check access before entering religious sites.

Ano Mera

The inland village offers a quieter setting, tavernas and Panagia Tourliani Monastery. The municipality dates the monastery's foundation to 1542, with later rebuilding. Check visitor access, dress expectations and transport for your date.

Food & local flavours

Look for kopanisti cheese, louza cured pork, seafood, Greek salad and local wine. Chora and the beach areas have varied dining options. Check opening hours and leave time to return from an out-of-town meal.

PRACTICAL PLANNING

Getting around

The SeaBus links Tourlos and the Old Port area; verify the current schedule and weather conditions. Bus routes vary by season. Taxis are limited, especially on busy days; arrange the return and confirm the fare.

Choose a manageable day

A short call suits Chora, Little Venice and the windmills. A longer call may fit one beach, Ano Mera or a Delos excursion. Do not treat boat or road time as total ship-to-sight time.

Before you leave the ship

Confirm ship time, the official all-aboard deadline, the return pickup or landing and a suitable earlier personal return target. Carry required documents, water and sun or weather protection. Recheck opening hours, tickets and transport for your actual date. This guide is planning guidance, not live port instructions or a navigation map.
