Port Canaveral

Port Canaveral: use your ship and sailing documents to identify the terminal.

Hotel-direct versus Go Port

Hotel-direct Park, Stay, & Go and Go Port Snooze Park Cruise are different products. Go Port states its driving package uses the separate Go Port Parking Plaza: drive there after hotel checkout, park, then take the port shuttle.

Fly Snooze Cruise

Go Port publishes packages with lodging, airport-to-hotel transfer, hotel-to-port transfer and port-to-airport return. The Homewood listing specifies a private black car from MCO to the hotel. Check every route, passenger and flight detail on the actual quote.

Eligibility and exact totals

Go Port inventory and promotions can depend on ship, sailing, hotel and package. The prior three-ship restriction and Home2 exclusion are not universal current rules; use the live booking results and written confirmation.

Manager information

Earlier details supplied by the Area Sales & Events Manager, were incorporated October 12, 2026. Parking rates, rider vouchers, departure times, renovation timing and offer eligibility are historical, date-specific information, not standing guarantees. Obtain a new written quote.

Airport and flight planning

An airport shuttle and cruise shuttle are separate services. Match your flight to your cruise line's current airport departure guidance and transfer cutoff. Allow time for disembarkation, luggage, road delays and check-in.

Compare the whole trip

Room + taxes/resort fees + every cruise parking day + transport for all travelers + return ride. Use your cruise line's current flight guidance; allow time for disembarkation, baggage, traffic and airport check-in.
